

# Through Python to the Stars!

Shreyas Bapat @shreyasbapat  
PyCon India @ Hyderabad - 27/10/2018

# Who's this person?

Amateur Astronomer

Undergrad. @ IIT Mandi

Open Source Enthusiast

Ex-Co-ordinator STAC-IITMandi

**poliastro**  
Astrodynamics in Python

# What's actually Astrodynamics/Orbital Mechanics?

Physics > Mechanics > Celestial Mechanics >  
Astrodynamics

**“A branch of Mechanics (itself a branch of Physics)  
that studies practical problems concerning the  
motion of human made objects trough space”**

# Warning!

**poliastro**
